---

Dr.Reddy's Laboratories Inc. initiated a recall of the lot below due to product complaints received for defective seals where the metal sliver ring was not attached tightly to the vial which makes the vial unusable. If a patient is not administered Zoledronic Acid Injection as a result of defective seal, the medical condition for which the Zoledronic Acid Injection is indicated may not be controlled or may worsen.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.

| Item Description | NDC | Lot | Expire Date |
|---|---|---|---|
| Zoledronic Acid Injection, 5mg/100ml | 55111-688-52 | BS523 | 10/2017 |

The product distribution dates are: December 21, 2015- January 12, 2016
