Subject: Product Recall Update - Virtus
Date: Wednesday, September 14, 2016 4:28:57 PM

Virtus Pharmaceuticals Opco II has expanded its recall initiated on 8/31/2016 to include additional Hyoscyamine Sulfate products distributed under the Virtus label. This recall is being initiated to both superpotent and subpotent test results. All of the batches were manufactured by Pharmatech LLC for distribution by Virtus throughout the United States and Puerto Rico. This recall is to the consumer level and affects the lot numbers and products below. The product was distributed between March 11, 2016 and September 12, 2016.
