VIDEO ON 2017 COMPOUNDING REGULATIONS AVAILABLE ONLINE

A video presentation on new compounding regulations approved by the California State Board of Pharmacy is available for viewing online [here](#).

Supervisor Inspector Christine Acosta delivered the presentation in January 2017 at Western University of Health Sciences. The presentation covers regulations for general compounding and sterile compounding.

Additional information about compounding is available on the [Compounding](#) page under [Important Information for Licensees](#) at the Board of Pharmacy [website](#).
