Subject: Corrected Recall notice - Advanced Pharma, Inc. d/b/a Avella of Houston

Advanced Pharma, Inc. d/b/a Avella of Houston is conducting a recall of all unexpired lots of Nitroglycerin produced at its Houston, Texas location between March 3, 2017 and May 31, 2017. The recall is being issued based on laboratory test results indicating a lower than expected potency on certain lots of compounded Nitroglycerin:

- 4/17/17 0950 863678
- 4/17/17 0857 818618
- 4/19/17 1445 248-863618
- 4/20/17 1505 257-863678
- 4/24/17 0115 15-863678
- 4/26/17 0301 387-863678

While the lower than expected potency results affected only the above lots, all unexpired lots of Nitroglycerin are being recalled.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
