**Subject:** Recall notice - Centurion Labs

Centurion Labs is recalling, the products below manufactured by Vilvet (Dania Beach, FL), to the **Retail Level** due to potential contamination with *Burkholderia cepacia*. Centurion Labs was notified by the FDA regarding the potential contamination as they discovered this product may have been manufactured in a Pharmatech, FDA registered facility, in Davie, FL. that was found to have a product that contained B. cepacia.

Use of a product that may contain B. cepacia could result in infections in patients with compromised immune systems and in patients with chronic lung conditions such as cystic fibrosis. Some of these infections may be serious or even life-threatening in the at-risk patient population.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
