Subject: Product Recall - Dr Reddy's Laboratories Inc.

Dr Reddy's Laboratories, Inc., is recalling the lot below of some Docetaxel Injection vials due to a defect in the seal. Dr Reddy's was made aware of the defects through product complaints. The detectability of the defect during administration is high, therefore, probability of using such vial by a medical practitioner is highly unlikely and hence the risk to patients has been identified as low.

Item Description	NDC	Lot	Expire Date
Docetaxel Injection USP, 20mg/mL	43598-611-11	H7044	05/2019

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
