Subject: Recall notice - Dr. Reddy's Laboratories, Inc.

This recall has been initiated due to high number of product complaints received for cracked and flaking coating of the tablets. Moxifloxacin is an immediate release tablet with a nonfunctional coating. The cracks on the coating film or peeling off of the coating film is unlikely to affect the efficacy of the Moxifloxacin tablets and if consumed by patient, the tablet with subject defect will have minimal impact on patient safety. The product distribution dates are: February 04- March 09, 2016

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
