Subject: UPDATE ON RECALL OF ONE LOT NUMBER OF BREATHE RIGHT® NASAL STRIPS

As per the previous notification provided GSK Consumer Healthcare is conducting a retail level recall of

Breathe Right® Nasal Strips UPC's 7-57145-00246-7 and 9-300673-871749

To further clarify, the lot number on the Breathe Right carton contains a five-digit prefix as outlined in the table below.

<u>AFFECTED LOT NUMBER</u>					
<i>NDC Number</i>	<i>Item UPC</i>	<i>Description</i>	<i>Size</i>	<i>Retail Carton Lot Number</i>	<i>Shipper Case Lot Number</i>
<i>N/A</i>	<i>7-57145-00246-7 and 9-300673-871749</i>	<i>Breathe Right® Large Clear Nasal Strips</i>	<i>30ct</i>	<i>4543U8008580</i>	<i>8008580</i>

*The product is being recalled as a precautionary measure. Although some portions of the carton are incorrect, the correct product is inside the carton. **This voluntary recall is not related to any safety issue and there have been no adverse events associated with this recall.** This product and lot number shipped to GSK Customers from 10/27/15- 1/4/16.*

No other products or lot numbers are affected.

This recall is being conducted with the knowledge of the Food and Drug Administration.

In light of this additional clarification, please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
