Subject: Market withdrawal - Major Pharmaceuticals

Major Pharmaceuticals is withdrawing from the market to the **RETAIL LEVEL**, the product / lots indicated in the table below. This market withdrawal has been initiated due to a recent investigation where test results on 3 other lots resulted in an out-of-specification result for an unknown impurity. Therefore, as a precautionary measure we are withdrawing these lots from the market.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
