Subject: Recall notice - SCA Pharmaceuticals

This recall has been initiated due to Hospira's voluntary nationwide recall (See Hospira recall notice sent 1/25/17) for one lot of Vancomycin Hydrochloride for Injection, USP due to the presence of particulate matter within a single vial of product.

Please immediately check your inventory and contact Mary K. Edelman of SCA for directions at 877-550-5059 or medelman@scausa.net.
