Subject: Recall notice - Teva Pharmaceuticals USA, Inc.

Teva Pharmaceuticals USA, Inc. is recalling the lot below of **Moexipril Hydrochloride and Hydrochlorothiazide Tablets USP** distributed under the **Teva Pharmaceuticals label**. This recall is being carried out to the RETAIL LEVEL due to an out of specification test result for the Moexipril Diketopiperazine impurity obtained during routine stability testing activities. The use of or exposure to the product is not likely to cause adverse health consequences.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.

Lot #	Exp. Date	Strength	Bottle Size	NDC
30229439A	12/2017	7.5 mg/12.5 mg	100 count	0093-5213-01
