Change of Ownership: A transfer of beneficial interest in the facility licensed by the board, in a single transaction or in a series of transactions, to any person or entity, which transfer **results in the transferee's holding 50% or more of the beneficial interest** in the licensed facility shall complete the appropriate licensing application and submit all required documents as instructed in a change of ownership application. **A Change of Ownership requires a new license application.** All approved change of ownership applications will result in a new license number being issued.

REQUIRED DOCUMENTS: Submit the applicable documentation to report a change to beneficial interest within 10% to 49%, which does **NOT** result in the transferee holding 50% or more beneficial interest in the license in a single transaction or in a series of transactions, to any person or entity.

- Personal Background Affidavit (17A-37):** Submit a completed form for the new natural person(s) being added.
- Organizational Chart:** Submit **both** the pre- and post-closing organizational structure charts. A business ownership organizational structure/chart clearly documents the applicant's ownership structure. Each person who is required to complete a Personal Background Affidavit is required to complete the Live Scan or submit the Board approved fingerprint cards for a criminal background check with the Department of Justice (DOJ) and Federal Bureau of Investigation (FBI). If a person is currently associated with an active facility license and has electronic fingerprints on file with the California State Board of Pharmacy, new fingerprints may not be required.

- **Officer:** Any New officer(s) listed on the application.

- **Partner:** Any New partner(s) listed on application.
- **Limited Liability Company:** Any New member(s) listed on application.

- **Owner:** Any New owner(s) listed on the application.
- **Administrator:** New administrator listed on the application.
- **Consulting Pharmacist:** Only required if the Board does not have an electronic fingerprint record on file with your pharmacist license. The Board will notify you upon submission of the change of consulting pharmacist if fingerprints are required.
- **Warden/Chief Executive Officer of a Correctional Pharmacy:** Government entities are exempt from fingerprinting.

FINGERPRINT INSTRUCTIONS: Complete and attach **ONE** of the following (either A or B):

- California residents must use Live Scan. Use the Request for Live Scan Service form at the end of the application packet, which provides the Live Scan operator with the board's agency information.
- A Live Scan site may charge a separate processing fee.
- Nonresidents can visit California to complete a Live Scan OR they must submit fingerprints professionally rolled on cards supplied by the Board.
- A nonresident that submits fingerprint cards must include the \$49 fingerprint card processing fee (per person).
- The Board accepts fingerprint responses only from the California Department of Justice (DOJ) and Federal Bureau of Investigation (FBI).

A. California Resident: Attach a copy of the completed Live Scan receipt.

- The receipt verifies that the individual being fingerprinted has completed the Live Scan process and provides tracking information for the Live Scan submission. It is the responsibility of the individual being fingerprinted to verify that all personal information entered by the Live Scan operator is correct prior to the operator's submission. The Board of Pharmacy will not accept clearances by the DOJ/FBI if the personal information is incorrect. Receipt of incorrect information by the DOJ/FBI will result in the individual having to complete a new Live Scan.
- California residents must use Live Scan only.
- To find a Live Scan location, go to <https://oag.ca.gov/fingerprints/locations>.
- The individual being fingerprinted must ensure the following information is correct when completing the Live Scan:
 - **Type of License/Certification/Permit or Working Title:** Pharmacy WLS - Section 4305.5
 - **Full Name:** Must be EXACTLY THE SAME as the individual's name on their state-issued driver's license or state-issued identification card. (Jr., II, etc., must be included). It also must be EXACTLY THE SAME as the individual's name on the application.
 - **Date of Birth:** Do not omit. If left blank, the individual may have to reprint.
 - **Social Security Number (SSN):** Do not omit. If left blank, the individual may have to reprint.
 - **Level of Service:** Must include both DOJ and FBI.

B. Non-California Resident: The individual being fingerprinted may visit California and complete Live Scan. If the individual cannot complete the Live Scan, **two (2) rolled fingerprint cards** must be submitted with the application.

- Only fingerprint cards provided by the Board will be accepted.
- Request fingerprint cards through the Board's online services at https://www.dca.ca.gov/webapps/pharmacy/pubs_request.php or via email to rxforms@dca.ca.gov.
- Fee: Include a fingerprint card processing fee of \$49 for each individual being fingerprinted (\$32 DOJ and \$17 FBI) made payable to the Board of Pharmacy. You may submit one check or money order for the application processing fee(s) and the fingerprint card processing fee(s) together.
- The fingerprint card(s) must be completed in black ink.
- Print legibly or type all personal information on the fingerprint cards. If the personal information of the fingerprinted individual is not legible and DOJ enters the information incorrectly, the individual will have to submit new fingerprint cards and pay the \$49 fee again. DOJ will NOT correct print results due to illegible fingerprint cards. The fingerprint cards must be processed at a location authorized to complete fingerprint cards for the DOJ/FBI (*e.g.*, law enforcement agency) in the state the services are rendered.
- Fingerprint results from cards take approximately six weeks for the Board to receive a response from the DOJ/FBI.
- Poor quality prints will be rejected by DOJ/FBI and will cause delay because new fingerprint cards will be required to be submitted. This is why two (2) rolled fingerprint cards must be submitted for each individual, along with the required \$49 processing fee.

Privacy Act Statement

Authority. The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose. Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses. During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental, or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.) *You can find additional information on the FBI website at <https://www.fbi.gov/about-us/cjis/background-checks>.*
