Required Identifications

1. The two identifications that you choose to present at the testing site must match your full name of record IDENTICALLY letter for letter (this includes middle name vs. middle initial).
2. If your full name does not match identically on both identifications presented at the testing site AND your Board issued eligibility letter, you will NOT be allowed to sit for the CPJE.
3. Please check your required identifications NOW to ensure both identifications match letter for letter. If your identifications do not match, the Board encourages you to make the necessary changes NOW to ensure you have sufficient time to receive the correct identifications.

4. If your full name does not match IDENTIFCALLY as outlined above and you do not present the required TWO identifications when you arrive at the testing site, you will NOT be allowed to sit for the CPJE, and PSI will consider this a missed appointment. You will be required to pay the administration fee to PSI to reschedule to sit for the CPJE.

If you have reported a name change to the Board after receiving your Board issued eligibility letter, please allow two weeks from the day you sent the change of name to the Board to contact PSI to confirm the change.
