Addendum to the Economic Impact Assessment

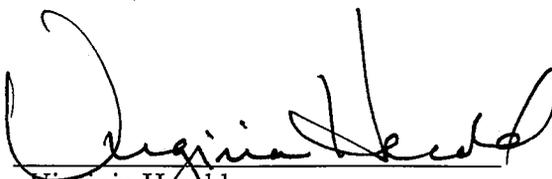

The board noticed this regulation on June 14, 2013, and held a Regulation Hearing on July 30, 2013. The board adopted the regulation text on October 29, 2013, and instructed the Executive Officer to complete the rulemaking file. Upon initial notice, the board completed an Economic Impact Assessment. As part of completing the rulemaking file, the Executive Officer determined it was necessary to further document how the board came to its determinations related to the economic assessment as required by Government Code section 11346.3(b). As a result, an Addendum to the Economic Impact Analysis is being added to the rulemaking file with this information.
