In an effort to educate dispensers and practitioners and prevent prescription drug abuse, the California State Board of Pharmacy and the California Medical Board are hosting a *Joint Forum to Promote Appropriate Prescribing and Dispensing*. At the forum you will:

- learn about the problems caused by prescription drug abuse and how physicians, pharmacists, law enforcement, prosecutors, regulators, lawmakers, and others are working to find solutions.
- hear speakers from the White House, the Drug Enforcement Administration, state and local prosecutors, law enforcement, practicing physicians and pharmacists, California's prescription drug monitoring program, and regulators.
- receive up to 10 hours of continuing education (CE) credit (four hours for attending the first day, six hours for attending the second).

Attendance is entirely free, but registration is required. Visit the Medical Board's Web site for details to register: <http://www2.mbc.ca.gov/EventRegistration>.

Reserve your spot as soon as possible. Participation is limited to 500.

**PHARMACISTS ARE A KEY TO CREATING SOLUTIONS
TO END PRESCRIPTION DRUG ABUSE!**
