July 2018 Issue of The Script

The current issue of The Script is available at the Board of Pharmacy [website](#).

The July 2018 newsletter includes articles about:

- How pharmacists can educate consumers on the risks of buying prescription medications online.
- Ways to help pharmacists reduce medication errors.
- New board regulations related to disciplinary guidelines and beyond use dates for compounding medications
- Tips for wholesalers on how to prepare for a board inspection and how to report suspicious orders of controlled substances.
- Answers to frequently asked questions about the new inventory reconciliation regulation.
- New board officers and a new board member.
- Pass rates for the CPJE and NAPLEX exams.
- Disciplinary cases.

The newsletter may be read online or downloaded and printed. To go directly to the newsletter, click [here](#).
