NEW PHARMACY LAWS FOR 2018

A variety of new pharmacy laws enacted last year by the Legislature and the Governor took effect Jan. 1, 2018.

Specific new pharmacy statutes in the Business and Professions Code (BPC) and the Health and Safety Code (HSC) can be found in [Pharmacy Law Changes for 2018](#) under the Popular Pages heading at the Board of Pharmacy [website](#). The online [Law Book](#) under Popular Pages also has been updated with new laws for 2018.

Complete articles about the new pharmacy laws will included in the next issue of *The Script* newsletter, which is planned for publication this month.
