

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Wizcure Pharmaa Ltd., is recalling all lots of BioGlo (fluorescein sodium) Ophthalmic Strips, USP, 1mg - 100 and BioGlo (fluorescein sodium) Ophthalmic Strips, USP, 1mg - 300 are within their expiration date.

Wizcure Pharmaa is recalling the product because it was not manufactured in conformance with current good manufacturing practices. The Wizcure product has Omni Lens Private Ltd. on the label. That is the only BioGlo product being recalled.

It is important to note that no adverse events have been reported to Wizcure Pharmaa or Hub Pharmaceuticals in the US prior to or after we stopped carrying the product in October of 2024.

This is a recall and applies only to products manufactured by Wizcure Pharmaa and is being conducted with the Food and Drug Administration's full knowledge and concurrence.
