

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

The Harvard Drug Group, LLC d/b/a Major® Pharmaceuticals and Rugby® Laboratories would like to inform you of a drug recall involving Lorazepam Tablets, USP of the below doses. This recall has been initiated due to out of specification results obtained during routine stability testing for Assay and Impurities. We began shipping this product on October 30, 2023.

Immediately examine your inventory and quarantine products subject to recall. In addition, if you may have further distributed these products, please identify your wholesale and retail customers and notify them at once of this product recall. This recall should be carried out to the retail level.
