

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Major Pharmaceuticals is recalling Lorazepam 1mg Tablets to the Retail level.

This recall was initiated due to an out of specification result obtained during routine stability testing for Assay and Impurities. Since Cardinal Health Private Label purchased the Lorazepam lot to repackage, it is necessary for us to recall the repackaged Assist bags of 10s repackaged from the affected lot. This item was first shipped 05/15/2024. This recall affects the lots listed below remaining in distribution.
