

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Unichem Pharmaceuticals (USA), Inc. has initiated a recall from the US market **(to the retail level)** for bottles of product labeled as "Bisoprolol Fumarate and Hydrochlorothiazide Tablets, USP 2.5 mg/6.25 mg 100 Count Bottle Lot **GBHL24005A**" due to not meeting the N Nitroso Bisoprolol impurity specification limits.

This recall is being made with the full knowledge of the United States Food and Drug Administration and should be carried out as a **Retail Level Recall**. Unichem has not received any reports of any adverse events related to this recall to date.

Bisoprolol fumarate and hydrochlorothiazide tablets are indicated in the management of hypertension.

Unichem Pharmaceuticals (USA), Inc., began shipping this batch to customers nationwide in March 2025.
