

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

This is to inform you of a recall involving Cetorelix Acetate for Injection (Kit) that is distributed by Meitheal Pharmaceuticals, Inc.

This recall has been initiated due to kit configuration discrepancies, specifically the potential for missing or duplicated needles within the injection kit.

The issue affects kit completeness and usability only and does not impact the drug product's identity, strength, quality, purity, or sterility. No adverse events, illnesses, or injuries have been reported.

The affected product was distributed between October 28, 2025, and January 22, 2026.
