

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

*This recall is being initiated due to the presence of a known impurity greater than required specification which indicate the product may not support the labelled shelf life of 36 months. Use of this product has not been associated with any reported adverse event or health hazard to date. Par Pharmaceutical, Inc., an Endo International company, shipped impacted lots from June 2020 to July 2022 of Calcitonin Salmon Nasal Spray, USP 200IU/0.09ml NDC# 49884-161-11 Single spray presentation impacted by this notification.*
