

The Board of Pharmacy has received notice of the following product withdrawal. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Grifols Therapeutics is initiating a withdrawal of one lot of Gamunex[®]-C 10% due to a higher rate of allergic/hypersensitivity type reactions, a small number of which were considered medically significant. Hypersensitivity and anaphylactic/anaphylactoid reactions are a known risk with IVIG products. The withdrawal is to the consumer/user level.
