

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Focus Health Group has initiated a recall for Epinephrine Professional EMS, Epinephrine Convenience Kits due to the incorrect NDC number on the outer carton on lot 56276EMS and 57943EMS. NDC 24357-011-13 was printed on the carton instead of NDC 24357-012-12. Both of these NDC numbers are for Epinephrine Convenience kits that contain the same amount and dosage of epinephrine (One 1ml 1mg/ml vial). The drug product included in both 24357-011-13 and 24357-012-12 is the same and the only product difference is the number of syringes in the kits.
