

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This is to communicate that Par Health is conducting a drug recall of the following lots of Buprenorphine HCl Injection 0.3 mg/ml 5 pack carton CIII.

Par Health has identified the potential for the presence of white, crystalline product particulates which are comprised of the drug product formulation, principally Buprenorphine free base.

This recall is being conducted to the **hospital/clinic level**.
