

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

The Harvard Drug Group would like to inform you of a recall involving Memantine HCl ER Capsules, 7 mg branded under Major®.

This recall has been initiated due to out of specification results obtained during routine stability testing for Dissolution.

We began shipping this product on June 24, 2025. This recall should be carried out to the wholesale level.
