

The Board of Pharmacy has received notice of the following product recall:

Description: GUANFAC HCI ER TB 2MG APOT 100

Lot Number: RX1664, RX1663, RX1662

Exp. Date: 11/30/2022

NDC: 60505392801

UPC: 36050539281

Apotex is voluntarily recalling the above items/lots due to trace amounts of Quetiapine Fumarate in one lot of RX1663. Out of an abundance of caution, lots RX1662 and RX1664 are also included in the scope as they were manufactured in the same campaign as lot RX1663. This recall is to the Consumer level. Affected product started shipping December 22, 2020.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
