

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This recall has been initiated by Focus Health Group due to incorrect NDC number on the outer carton of lot 56276EMS and 57943EMS of Epinephrine Professional EMS. NDC 24357-011-13 was printed on the carton instead of NDC 24357-012-12. The drug product (epinephrine (One 1ml 1mg/ml vial) included in both 24357-011-13 and 24357-012-12 is the same and the only difference is the number of syringes in the kit. The data matrix of the effected product also reads NDC# 24357-011-13. Please physically examine your inventory and if you have Epinephrine Professional EMS printed with NDC 24357-011-13 and/or that has a barcode that scans with NDC 24357-011-13 please arrange for return or destruction of this product. We began shipping the effected product on 1/23/2023.
