

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

TruPharma, LLC (TruPharma) is initiating a recall of Lot **231037H1** Expiry June 2027 of Metoprolol Tartrate Tablets USP, 25mg 1000 to the **retail level**. Rubicon Research Private Limited (Rubicon) manufactured and supplied the product for distribution by TruPharma. As an abundance of caution, this lot is being recalled due to a market complaint pertaining to foreign matter contamination of the lot.

A single tablet was identified to have a foreign object, and Rubicon has conducted an investigation into the source of the contamination and determined that this is an isolated, one-off incident.
