

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Apotex Corp. is voluntarily recalling one (1) batch of Brimonidine/Timolol OP/SLN 0.2/0.5% 15ML as identified below, to the Retail/Pharmacy level. This recall is being initiated out of an abundance of caution due to an isolator glove event. The product met all specifications at the time of release. There have been no reports of relevant adverse event or complaints received for this batch between May 27, 2024 and May 15, 2025.
