

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Time-Cap Labs Inc. is recalling **a specified lot, XP9004 of Metformin HCl ER Tablets, 500 mg product**, as per the recall notification letter and email communication from Marksans Pharma Ltd (product manufacturer). This recall should be carried out to **consumer** level. This recall has been initiated as FDA analysis has found the product Metformin HCl ER Tablets, 500 mg lot, XP9004 to contain N-Nitrosodimethylamine (NDMA) levels in excess of the Acceptable Daily Intake Limit (ADI) of 96ng/day.
