

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

American Health Packaging, Inc. is initiating a drug recall to the **RETAIL LEVEL** for **AHP Indomethacin Extended Release Capsules, USP, 75 mg, 30 UD; Carton NDC#: 68084-411-21, (Individual Dose NDC: 68084-411-11).**

This recall is being initiated in support of the recall by the manufacturer (KVK Tech, Inc.) dated May 9, 2025, which included a lot that was repackaged by American Health Packaging. KVK Tech stated that the recall was "initiated out of abundance of caution due to identification of residue on the supply air-duct to the coating pan".

Indomethacin Extended-Release Capsules are indicated for moderate to severe rheumatoid arthritis including acute flares of chronic disease; moderate to severe ankylosing spondylitis; moderate to severe osteoarthritis; acute painful shoulder (bursitis and/or tendinitis).
