

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

The Harvard Drug Group, LLC d/b/a Major® Pharmaceuticals and Rugby® Laboratories is initiating a recall of Gabapentin Capsules, USP, 100 mg. This recall has been initiated due to receiving reports of inadequately sealed blister packaging. We have not received any reports of patient harm or adverse events in relation to this issue. Shipping of this product began on December 9, 2024.
