

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Product Name	NDC(s)	Lot/Batch	Exp
Eszopiclone Tablets 1 mg	33342-299-07	BEK2009A	11/2023

Macleods Pharmaceuticals Limited is extending a recall of Eszopiclone Tablets 1 mg from the Wholesale level to the Retail level.

This recall is based upon repetitive complaints (11 complaints) reported for the product Eszopiclone Tablets USP 1 mg, Batch # BEK2009A related to a shortage of tablets (Ranging from 1 to 3 number of tablets) in 30's pack container. Health Hazard evaluation indicates that the dose may be impacted by tablet shortage but not the quality and efficacy of the Eszopiclone Tablets 1 mg. Hence it is less likely to affect the therapeutic activity of Eszopiclone Tablets 1 mg and is unlikely to pose risk to the patient's safety

The batch was distributed from the period of 09 July 2021 to 20 May 2022.
