

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Rising Pharma Holdings, Inc is initiating a recall for **Diflorasone Diacetate ointment, USP 0.05%, 60g**, for batch number DI2303B, manufactured by Lyne Laboratories, Inc located at Brockton, MA.

This recall is being conducted due to an out of specification result obtained during stability testing of the subject product, where the impurity results at 12 months did not conform to the specification limit.

Based on the preliminary investigation and health hazard assessment, it is unlikely that this out of specification result can lead to any adverse health consequences. No long-term risk to patient health and safety is anticipated.

This batch was distributed between April 2023 to September 2023.
