

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

*Lannett Company, Inc. is recalling Dextroamphetamine Saccharate, Amphetamine Aspartate Monohydrate, Dextroamphetamine Sulfate and Amphetamine Sulfate Extended-Release Capsules, 5 mg 100 count, distributed under the Lannett Company, Inc. label. This recall is being initiated in response to a customer complaint identifying a single capsule containing only immediate-release (IR) beads. Use of an affected capsule may result in a more rapid release of the active ingredient and a shortened duration of therapeutic effect compared to the intended extended-release profile. This recall is being made to the **Retail level** and affects lots listed below.*
