

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This is to inform you of a product recall involving products **Pemetrexed for Injection 100mg/Vial, Pemetrexed for Injection 500mg/Vial, Bortezomib for Injection 3.5mg/Vial, Azacitidine for Injection 100mg/Vial** out of abundance of caution to prevent any risk. These products were manufactured by Reliance Life Sciences and distributed by Somerset Therapeutics LLC.

This recall has been initiated due to potential concerns regarding sterility assurance. No contaminated batches have been identified in the finished product. To date, Reliance has not received any adverse event reports related to this event.

This recall is being made to the 'Retail Level' and affects the lot numbers listed on the table below. The products were shipped between June 2025 and June 2026.
