

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Teva Pharmaceuticals USA, Inc. (TEVA) is initiating a nationwide recall of one lot of **Sunitinib Malate Capsules, 12.5 mg** to the **RETAIL LEVEL**. The product in this recall is distributed under the Teva Pharmaceuticals USA, Inc. label. The reason for the recall is test results for moisture content were above approved product specifications for the subject lot, which could result in quality incidents of lack of effect or decreased therapeutic effect. The medical consequences following this may consist of an inappropriate control of disease symptoms, unnecessary increase of dose or even replacement of product. TEVA's health hazard assessment has determined that the likelihood of harm to the patient is remote and overall risk of harm to the patient is considered to be low.
