

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

URGENT: DRUG RECALL AZELAIC ACID GEL, 15%- 50 g (NDC 68462-626-52)

*This is to inform you of a voluntary recall to **Retail level** involving the following drug product:*

Sr. No.	NDC	Batch No.	Expiry Date	Pack Style
1	68462-626-52	19241453	March 2026	50 g

This recall is being initiated due to the complaints related to 'gritty/grainy gel'.

Please see details of product batch listed in above table and refer enclosed product labels for ease in identifying the product. Glenmark Pharmaceuticals Inc. initiated shipment of this batch from 26 April 2024.

Examine your inventory and if you have any inventory available pertains to batch specified in above table then quarantine it immediately.
