

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

GRANULES PHARMACEUTICALS INC. is recalling Gabapentin Tablets USP, 600mg.

This recall is due to a potential mix-up of Metformin ER Tablets in a bottle of Gabapentin Tablets, USP 600mg. The ongoing investigation revealed that the issue is limited to the above lot and no other lots were impacted. No adverse events have been received to-date for the above mentioned product lot.
