

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

As a precautionary measure, Lupin Pharmaceuticals, Inc. is initiating a recall of lot F201517, expiry: November 2024 of Cefixime for Oral Suspension USP 100 mg/5 mL (50 mL Pack size) to the retail level. This lot is being recalled due to an out of specification (“OOS”) result observed in assay test during 18-month long term stability study.

The slight reduction of Cefixime content may result in a slight decrease of therapeutic effect (subtherapeutic response).

The recalled lot was distributed between January 2023 to September 2023 to wholesalers/ distributors mail order and supermarkets nationwide.
