

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This communication is to notify you that Zydus Pharmaceuticals (USA) Inc. (“Zydus”), is recalling the drug product Succinylcholine Chloride Injection, USP 20 mg/mL.

This recall has been initiated due to an Out of Specification (OOS) result for an unexpected impurity detected in the product during routine three-month stability testing. The potential risk associated with use of the affected product is currently unknown and under active investigation.

The product was shipped to our customers between October 2024 and August 2025.
