

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

The Harvard Drug Group would like to inform you of a recall notice involving ChlorproMAZINE Hydrochloride Tablets, USP, 25 mg, 50 mg, 100 mg, and 200 mg.

This recall has been initiated by Zydus Pharmaceuticals (USA) Inc. due to an evaluation carried out for the drug product as per the FDA guidance on NDSRI (N-Nitroso Desmethyl Chlorpromazine) evaluation and it was identified that the batches were not meeting the FDA recommended limit. Consumption of the affected product may carry a potential risk of carcinogenicity.

We began shipping this product on June 24, 2024.
