

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Product Name	NDC #	Lot #	Exp. Date
Potassium Chloride Tablets 10mEq 500's bottle	64380-861-07	7240840A	12/31/2021

Strides Pharma Inc. (Strides) is initiating a recall of Potassium Chloride ER Tablets USP, 10mEq (750mg) 500 count for the lot listed in the table above. This product was manufactured by Strides Pharma Science Limited, Bangalore, India.

This recall has been initiated at the retail level due to an Out of Specification dissolution test result for a retain sample. Health Hazard Evaluation was performed. The evaluation indicated the potential patient safety risk and health hazard is low.

To date Strides is not aware of any adverse patient events resulting from the use of the subject product lot. Strides began shipping the subject product lot between September 30, 2020 to May 27, 2021 to wholesalers and distributors in The United States.
