

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Pfizer Inc. is withdrawing all lots of **OXBRYTA® (voxelotor) Tablets** to the **Patient level**.

Pfizer's decision to withdraw product is based on the totality of clinical data that now indicates the overall benefit of OXBRYTA® no longer outweighs the risk in the approved sickle cell patient population. Pfizer has notified the U.S. Food and Drug Administration about its decision to voluntarily withdraw OXBRYTA® from the market and discontinue distribution while further reviewing the available data. There is no indication of a product quality issue and all lots have been manufactured and released in accordance with registered specifications.
