

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Strides Pharma, Inc (Strides) is initiating a recall of Cinacalcet Tablets, 30 mg 30 count for the lot listed in the table below. This product was manufactured by Strides Pharma Science Limited, Puducherry, India.

This recall has been initiated at the Retail Level due to an Out of Specification dissolution test result for a long-term stability sample. A Health Hazard Evaluation was performed. The evaluation indicated the potential patient safety risk and health hazard is negligible to none. Out of an abundance of caution, Strides has initiated the process for voluntary recall.

To date Strides is not aware of any adverse patient events resulting from the use of the subject product / lot. Strides began shipping the subject product lot on February 05, 2026, to wholesalers and distributors in the United States of America.

This recall should be carried out to the Retail Level.
