*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Micro Labs USA, Inc. is issuing a recall for Dorzolamide HCl and Timolol Maleate Ophthalmic Solution, USP 2%/0.5%.

This recall is being conducted due to a review of market complaints for lot number DLHU0031 revealed recurring instances of broken cap spikes and undelivered drops. To date, 24 complaints have been received out of 26,784 distributed units. The investigation confirmed a manufacturing defect in the caps of this specific lot.

Micro Labs USA, Inc. began shipping these products from November 18, 2025. Micro Labs Limited is recalling this lot because further complaints are anticipated as a precaution.
