The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This ls to communicate that out of an abundance of caution, Par Health is conducting a drug recall of Argatroban Injection 250 mg/2.5 ml.

Par Health USA, LLC ("Par Health") has identified the potential for the presence of particulate matter identified as cellulose, polystyrene, polyethylene teraphalate, stopper material, and possibly stainless steel in the product solution of certain lots.

This recall is being conducted to the hospital/clinic level. This product was shipped between 12/30/2024 and 05/05/2026.
