The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Safecor Health, LLC (FKA Mylan Institutional Inc,) is initiating a recall at the retail level for Metoclopramide 5 mg Tablets.

This recall is being initiated due to a manufacturing recall from Teva Pharmaceuticals USA Inc due to potential co-mingled product impacting the repackaged batch listed below.

One (1) product lot listed below can be identified by the NDC number, lot number, and expiry date stated on the box and label of the product. These lots were distributed nationwide from January 14, 2026 to September 29, 2026.
